

# **PRIVACY POLICY MODEL FOR RhinoSpect Mobile Application**

This privacy policy governs your use of the software application RhinoSpect (“Application”) for mobile devices that was created by Rhino Software Pty Ltd. The Application is intended to be used to collect field based data and observations. As a standard part of this functionality, your location will be recorded in relation to any inspections created. Additionally, your name, email address, organisation and phone number are collected as part of your account creation process.

## **What information does the Application obtain and how is it used?**

### **User Provided Information**

The Application obtains the information you provide when you download and register the Application.

When you register with us and use the Application, you generally provide (a) your name, email address, password and other registration information; (b) transaction-related information, such as when you create/edit inspections; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, and; (e) information you enter into our system when using the Application, such as contact information and project information.

We may also use the information you provided us to contact your from time to time to provide you with important information, required notices and marketing promotions.

### **Automatically Collected Information**

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

### **The Application collect precise real time location information of the device.**

When you use the mobile application, we use GPS technology (or other similar technology) to determine your current location so as to geo-locate your data. We will not share your current location with other users or partners.

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

### **Third party access to information obtained by the Application.**

We do not share data with third parties. Through the application, you have the ability to share data with other users.

### **What are my opt-out rights?**

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at [support@rhinospect.com](mailto:support@rhinospect.com).

### **Data Retention Policy, Managing Your Information**

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at [support@rhinospect.com](mailto:support@rhinospect.com) and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly. Note that we maintain data backups for up to 24 months, and are unable to delete your data from them.

### **Children**

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at [privacy@applicationsite.com](mailto:privacy@applicationsite.com). We will delete such information from our files within a reasonable time.

### **Security**

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavour provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

## **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by clicking [here](#).

## **Your Consent**

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

## **Contact us**

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at [support@rhinospect.com](mailto:support@rhinospect.com).
